

Dear Mr. Wallace D. Johnson, Thank

Thank you for coming here to the YWCA and teaching us about baseball. I really learned a lot. I would like to learn more about baseball the next time you come here. When I get older I may want to be on a baseball team. When you were here the last time I learned how to hit a ball, catch a ball, and I learned how to run to the bases. I found that you were a famous baseball player. I bet you were really great. By watching your techniques it showed you are really good at baseball. You are very good at teaching children how to play baseball. When I get older I may want to play baseball as well. And if I do I will be the best I can be. I will work really hard to get good at baseball. I will keep on trying and not give up. And I will work very hard and do my best just like you.

Sincerely,
Amara Harris
