

Dear Mr. Wallace D. Johnson

I Was not here when you came to the
YWCA summer camp to teach baseball.
My sister and I would like to meet you.
I heard you were a professional baseball
player. I am a girl and still want
to learn the rules of the game. I plan
to attend the YWCA summer camp next
year and hope to have the opportunity
for you to show me the game baseball.

Sincerely
Sincerely, C2 Group
