Dear Mr. Wallace D. Johnson,

I was not here when you came to the  
to the YWCA. I still want to  
meet you and learn about your baseball  
baseball summer camp. Can you  
come another time? If you come  
again I will be at the YWCA.  
I want to learn how to run bases,  
catch a ball, and hit the ball. If  
you come back I would like to  
see how all things work.

Sincerely,  
DeJa Henderson (Group 2) YWCA  
Summer Camp
