Dear Mr. Johnson,
I wasn't here when you did baseball camp but I would love to learn some things from you next time you do baseball camp at the YWCA. I would like to learn how to pitch, how to bat, how to throw and catch a ground ball. I would also like to learn how to bunt the ball, how to hit a homerun, and a lot more. I know theres a lot of other baseball camps, but I would love to come to your camp most of all and when I come I will do my best to pay attention and be a star student. Also, I would honor you in any way I can because I know you will work hard to help me do the best I can. I would like to be like to be like you one day and play in the Major League. I bet it would be the best time in my whole life because I know you will be taking up your time to work with me.

Sincerely,
KDen Dade
