Dear Mr. Johnson,

I was not here when they did summer baseball camp. I will love to be a part of your baseball camp next year. It will be a fun and great learning experience. I would like to have the opportunity to get to know you. There are so many things I don't know about baseball and it will be a great opportunity to learn from the best. These are the questions I will love to ask you. Do you enjoy baseball? What age did you start playing baseball? Is baseball your favorite sport? Do you watch baseball on tv. Is baseball the only sport you like. Do you like baseball, soccer, or football the best.

Sincerely,  
Naden Armstrong
